Application Fee: The \$200 registration and emergency kit fees are non-refundable fee unless your child is not accepted for enrollment. This fee is used to cover the expenses involved in registration, insurance and initial evaluation of the child. \$50 Summer registration fee is due at time of summer enrollment.

Tuition Contract: A tuition contract called the Admissions Agreement is issued for each party who registers a child for the school year. Signers of this contract are responsible for tuition for the entire year unless the withdrawal procedures outlined in the contract are followed. A tuition contract will be made available if you wish to read it prior to submitting your application.

Tuition Payment Plans: Annual tuition is divided into equal monthly payments. Tuition is due between the 15th and the 25th of the previous month enrollment. Credit is not given for illness, family vacations, or other absence. A school calendar and fee schedule are included in the enrollment packet.

I understand that this is an application only, and I will be notified when a place is available for my child. I understand the school reserves the right to determine suitable placement for each student. I hereby acknowledge and understand the above tuition policy.
